## **BeeingKids.org**

BeeingKids.org is a world-wide, grass roots endeavor bringing together bee teachers and enthusiasts with the future and hope of future skilled beekeepers.

*“Currently, the majority of the beekeepers around the world are over the age of 65 and younger people need trained in the skills of beekeeping,”* says John Kefuss.

Kefuss has been an international beekeeper and researcher for over 40 years. BeeingKids.org is an effort developed by Kefuss, (<http://www.meamcneil>).

France, and Bella Donna of BHealthy BHappy LLC ([www.BeeHealthy.biz](http://www.BeeHealthy.biz))  
in Central Arizona. The website was established to offer a repository of  
information and projects going on around the world that encourage, share  
and offer teaching materials to young beekeepers.
